## Commissioner for Patents

The reply filed on 4-19-04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the claims are clearly not in compliance with the Sequence Rules as set forth in § 1.821 (a)(2)(d) that states "Where the description or claims of a patent application discuss a sequence that is set forth in the "Sequence Listing" in accordance with paragraph (c) of this section, reference must be made to the sequence by use of the sequence identifier, preceded by "SEQ ID NO:" in the text of the description or claims, even if the sequence is also embedded in the text of the description or claims of the patent application." Any recitation of a sequence in the specification or the claims is required to be followed by its particular identifier. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
